Thank you Mrs. Stavirnidis for helping us with every thing from college applications to writing college essays. You are a true teacher and a true friend we will all miss you very much.

FROM ALL THE SENIORS
THANK YOU.

MEDIA COMMUNICATIONS TECHNOLOGY HIGH SCHOOL

Dear Class of 2008

You will always be remembered as the class that is so talented in so many ways. Yes, I will remember arguing with you about your cell phones, harping on your tardies, reminding you that school starts at 7:20 and not 7:35 (or 9:45 ... or 11:10), but I will also remember when you showed me your college acceptance letters, or asked me to read your college essay, or one of your teachers came to tell me an amazing story about you from class. Thank you for doing the work, for getting up on the mornings you didn't want to come, for persisting through any challenge that came up so you could be graduating and moving on. You will always be part of Media

I would love to personally dedicate alot of my growing to Mrs. Sisco and Mrs. DeNapoli. They are very important and essential to what happens throughout the school. Even I, as a former student of Westie, I owe alot to Mrs. Sisco who has been like a mother to me and if it wasn't for her caring and tremendous heart, I wouldn't be where I am. Both Mrs. Sisco and Mrs. DeNapoli are the back bones of these schools and I am so greatful to have them not only be apart of my life but the young lives at this education complex.

Thank You

WHO'S DRIVING YOU?

There are many ways to drive reckless. But only one way to stop it.
Don't give in to peer pressure. If you feel like you're in danger, SPEAK UP.

Ad Council

STOP. THINK. SPEAK UP.

Congratulations on the best ad to come out of Boston.
Let's do it again next year!
